## THE SCENE

22 Bowen's evokes Newport with its charm and sense of place. It's a classic harbor side tavern, rich in texture and tradition; a place with sophisticated charm, defined by its casual elegance, indulgent steaks and New England's finest seafood, classic drinks and warm, genuine hospitality. Step into the past and the present and be part of the scene at the City by the Sea's premier waterfront dining destination. During the iconic summer season enjoy our al fresco dining options for your private event - soaking up the sun and liveliness of Newport's harbor front.

## THE SCULL ROOM

Located on the second floor of the restaurant, with spectacular views of Newport Harbor, the Scull Room is the perfect choice for groups of up to 40 guests. Named for the antique wooden rowing scull hanging on the rafters, the room offers an open floor plan which encourages mingling and conversation. For groups of 60 or more guests, combine the Scull Room with the Fireside area.

## THE WINE ROOM

Flanked by an impressive wall of wines, our second floor Wine Room, which overlooks the bustling wharf, offers a relaxed atmosphere for up to 26 guests and is equipped with full audio visual capabilities. This room is the perfect setting for an intimate luncheon, reception, or dinner gathering.

Sliding doors lead from the Wine Room to the wraparound deck, offering some of Newport's best views and a great way to start off your event with an al fresco cocktail reception. Ask your sales manager for details.

## THE DECK & THE PATIO

While already considered to have some of the best seats in town, our second floor wraparound deck elevates the private dining experience. With panoramic views of Newport Harbor, the deck is climate controlled and is the perfect complement for events being held in the Wine Room. For an intimate seated dinner, the deck can accommodate up to 32 guests for an unforgettable dining experience. Looking for al fresco dining for smaller parties? The patio terrace is now available to host your next event. Located on the street level, it marries the seclusion of a private space, while being in the heart of bustling Bowen's Wharf. The patio terrace comfortably seats up to 36 for dinner and is also climate controlled.

For larger events, make 22 Bowen's your own with a complete rental of our private dining spaces. Combining the Wine Room, Scull Room, lounge and upstairs deck is ideal for post wedding brunches and welcome events and accommodates up to 125 guests with a station style set up.
